- \* Plan for your key team to come along.
- \* We'll talk with you about what you need to plan for and bring with you.
- ♣ \$295 Early Bird Special if payment is received by Sept 16/09

# Achieve More In ½ Day Than Most Businesses Do In A Year

**Welcome to GrowthCLUB**  
**A 90-day Business Planning Workshop**  
**Friday, September 25, 2009**  
**7:45am - 1:00pm (Breakfast included)**

One day every three months – your chance to step out of the business and get focused. We'll work with you to map out a winning game plan for the next 90 days. Plus with practical workshops and expert training, you and your team will get back to your business with clear direction and new tools to achieve your goals faster.

## Create Momentum

By the end of this high energy day, you will have a clear picture of where your business will be in 90 days time, and a step by step 90-Day Action Plan to get you there. Using this roadmap, you and your coach will take your business from where you are to where you want to be.

## Bullet Proof Strategies

You'll hear it straight from the trenches – real business owners sharing their top money making tactics from the last 90 days. Listen hard. Take notes. Then adopt & adapt to get them working for you.

## Transform Your Business

You'll learn how the world's most successful businesses plan their on-going success – and then you will build these same principles into your own business (regardless of size) to create your own personalized 90-Day Action Plan step-by-step. Then, crucially, you will learn how to implement your new skills and systems on a daily basis to achieve real results. If you are serious about fulfilling your business potential this is a MUST ATTEND EVENT!

## Massive Action Means Massive Results

You'll walk away with:

- Energy, vision and focus for the next 90 days in your business.
- Take home strategies to build your profits right away.
- A ready-to-implement, real time 90-day plan.
- A network of business contacts to work with.
- The skills and the tools to get more done in less time.
- A clear understanding of what has worked in your business and what hasn't and WHY.
- New ways to get your team to take responsibility and ownership of their roles IN the business leaving you with more free time to work ON the business.
